

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 747 - SB 688

February 6, 2019

SUMMARY OF BILL: Defines “breakfast” relative to specific service sign purposes within the rights-of-way of highways on the interstate system and adjoining public roads as the first meal of the day commonly eaten in the ante meridiem.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 54-5-1101(a), a specific business establishment is not to be excluded from participating in the specific service sign program because such establishment does not serve breakfast. The establishment may occupy any available space on a specific service sign if doing so would not exclude a business establishment that does serve breakfast.
- Defining “breakfast” for the purposes of the specific sign program, as proposed under this provision, will not impact the operation of the program and will not result in a significant fiscal impact to the Department of Transportation.
